The image shows a web-based smart home application interface. At the top left is a large orange circular icon. To its right are three buttons: "HOME" (highlighted in orange), "SIGN UP" (in blue), and "LOGIN" (in red). Below these buttons is a large, bold heading: "Welcome to your Smart Home". Underneath the heading is a paragraph of placeholder text (Lorem ipsum) describing a modern building facade. At the bottom of the page are two call-to-action buttons: "Login" (orange button with a user icon) and "Sign up" (grey button with a pencil icon).

The dashboard displays energy consumption data for three rooms and an overall summary:

- Living Room:** Room, Living Room, 700 kWh
- Bedroom:** Room, Bedroom, 800 kWh
- Kitchen:** Room, Kitchen, 900 kWh
- Overall:** Room, Overall, 2400 kWh

A search bar and a '+' button are available for adding new devices.

Below the summary, there are six device cards, each labeled "Device 1" and "80 W". Each card includes a small icon, a name, power rating, and two circular controls (one orange, one red).

The dashboard features a central device card with a blue smart device image and a "View Connections" button. To the right is a spending chart titled "Spending" showing energy and water usage by day. Below the chart are four management buttons: "Hook Device", "Change Name", "Change Room", and "Remove Device".

Spending

Filter by: Energy, Water

Day	Energy	Water	Total
Monday	Medium	Low	Medium
Tuesday	High	Low	High
Wednesday	Medium	Low	Medium
Thursday	Very High	Low	Very High
Friday	Medium	Low	Medium
Saturday	Low	Low	Low

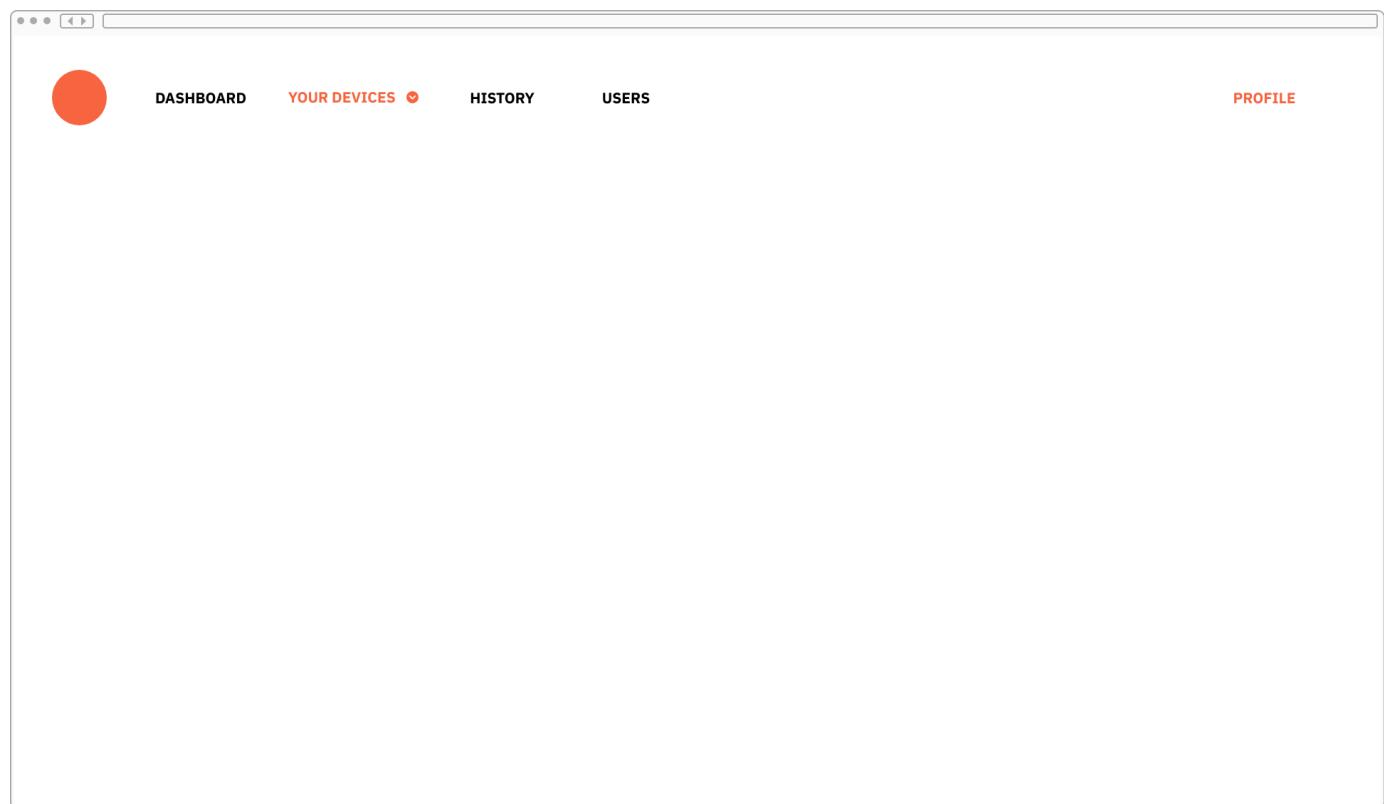

Device Details

Device Name: Device 1
Device Room: Living Room

Management Options

- Hook Device
- Change Name
- Change Room
- Remove Device

The screenshot shows a user interface for controlling smart devices. At the top, there is a navigation bar with tabs: DASHBOARD, YOUR DEVICES (with a red notification dot), HISTORY, USERS, and PROFILE. On the left, there is a circular profile picture placeholder. The main area features a large card for a "Smart Lamp MODEL-Xx". It includes a thumbnail image of a blue sofa with a lamp, the device name, model number, and three control buttons: a power button, a brightness increase button (+), and a brightness decrease button (-). To the right of this card are three smaller cards: one showing a lightbulb icon and "Device Light 60 %", another showing a plug icon and "Current Electricity 10 kWh", and a third showing a checkmark icon and "Device Currently on 10 min today".

The screenshot shows a user interface for adding a new device. At the top, there's a navigation bar with links: DASHBOARD, YOUR DEVICES (with a red notification dot), HISTORY, USERS, and PROFILE. Below the navigation, there's a large image of a blue, square-shaped smart device resting on a wooden surface. To the right of the device, a progress bar consists of four numbered steps: 1 (Choose a name), 2 (Select Device), 3 (Select Category), and 4 (Finish). Step 1 is highlighted with a red circle. Below the progress bar, the text "Choose a name for your device" is displayed above a placeholder input field containing "Placeholder". A red "Next →" button is located below the input field.

The screenshot shows a web-based application for adding a new device. At the top, there's a navigation bar with tabs: DASHBOARD (highlighted with an orange circle), YOUR DEVICES (with a red notification dot), HISTORY, USERS, and PROFILE.

The main content area features a large image of a white, rectangular smart device (possibly a hub or bridge) resting on a wooden surface. To the right of the device, a progress bar indicates four steps: 1. Choose a name (orange), 2. Select Device (orange), 3. Select Category (gray), and 4. Finish (gray).

Below the progress bar, a section titled "Select a Device from nearby devices:" lists four options:

- Smart TV 3000 (unchecked)
- Smart Lamp MODEL-X10 (checked)
- Microwave UI (unchecked)
- Playstation 5 (unchecked)

A red "Next →" button is located at the bottom of this section.

The interface shows a blue rectangular smart device resting on a dark wooden surface. To the left of the device is a large orange circular icon.

The screenshot shows a user interface for adding a new device. At the top, there's a navigation bar with tabs: DASHBOARD (highlighted with an orange circle), YOUR DEVICES (with a red notification dot), HISTORY, USERS, and PROFILE.

The main area features a large image of a white, rectangular smart device (possibly a hub or bridge) resting on a wooden surface. To the right of the device is a horizontal progress bar consisting of four orange circles connected by a line, numbered 1 through 4. Below each number is a step description:

- 1 Choose a name**
- 2 Select Device**
- 3 Select Category**
- 4 Finish**

Below the progress bar, the text "Select Room:" is displayed, followed by three circular icons representing different rooms:

- Living Room**: Shows a living room interior with a yellow armchair.
- Bedroom**: Shows a bedroom interior with a bed and a nightstand.
- Kitchen**: Shows a kitchen interior with a counter and cabinets.

A prominent orange button at the bottom right is labeled "Finish ✓".

The screenshot displays the Smartive History dashboard. At the top, there are navigation tabs: DASHBOARD, YOUR DEVICES, HISTORY (which is highlighted in red), USERS, and PROFILE. Below the tabs are four cards: 'History Smartive User actions' (orange background), 'History Anonymous User actions' (white background), 'Account All User actions' (white background), and 'Account Alerts No new alerts' (white background). The main content area shows three recent user actions:

- Username_X10** turned on a Smart Lamp in the Living Room at 29 Nov 2020 - 10:00. MODEL-Xx
- Username_X10** turned off a Smart Lamp in the Living Room at 29 Nov 2020 - 9:00. MODEL-Xx
- Username_YoY** turned off a Microwave in the Kitchen at 29 Nov 2020 - 8:50. MODEL-YoY

On the right side, there is a section titled 'Devices' with checkboxes for various categories: Entertainment (unchecked), House keeping (unchecked), Water-Related (checked), Doors (checked), Energy-Related (checked), and Windows (checked).

The dashboard features a navigation bar with tabs: DASHBOARD, YOUR DEVICES, HISTORY, USERS, and PROFILE. Below the navigation are four summary cards for different rooms:

- Living Room:** Room, Living Room, 700 kWh
- Bedroom:** Room, Bedroom, 800 kWh
- Kitchen:** Room, Kitchen, 900 kWh
- Overall:** Room, Overall, 2400 kWh

On the left, there are two columns of detailed device information:

- TV:** Devices Energy 800 kWh, TV 10 kWh, MODEL-X10 5 kWh, MODEL-X03 5 kWh.
- LAMPS:** Devices Light 60 %, LAMPS 10 kWh, MODEL-X10 5 kWh, MODEL-X03 5 kWh.

A "See More" button is located at the bottom of the TV section.

On the right, there is a chart titled "Spending" showing energy and water usage over four days:

Date	Energy (kWh)	Water (L)
Monday 27/11	5	5
Tuesday 28/11	10	10
Wednesday 29/11	5	5
Thursday	10	10
Friday	5	5

The screenshot shows a user interface for managing users. At the top, there are navigation tabs: DASHBOARD, YOUR DEVICES, HISTORY, USERS (which is highlighted in red), and PROFILE. Below the tabs, there are four cards with account statistics:

- Sharing: Enabled
- Admin: Username_X10
- Empty slots: 3 users
- Devices: 10 per user

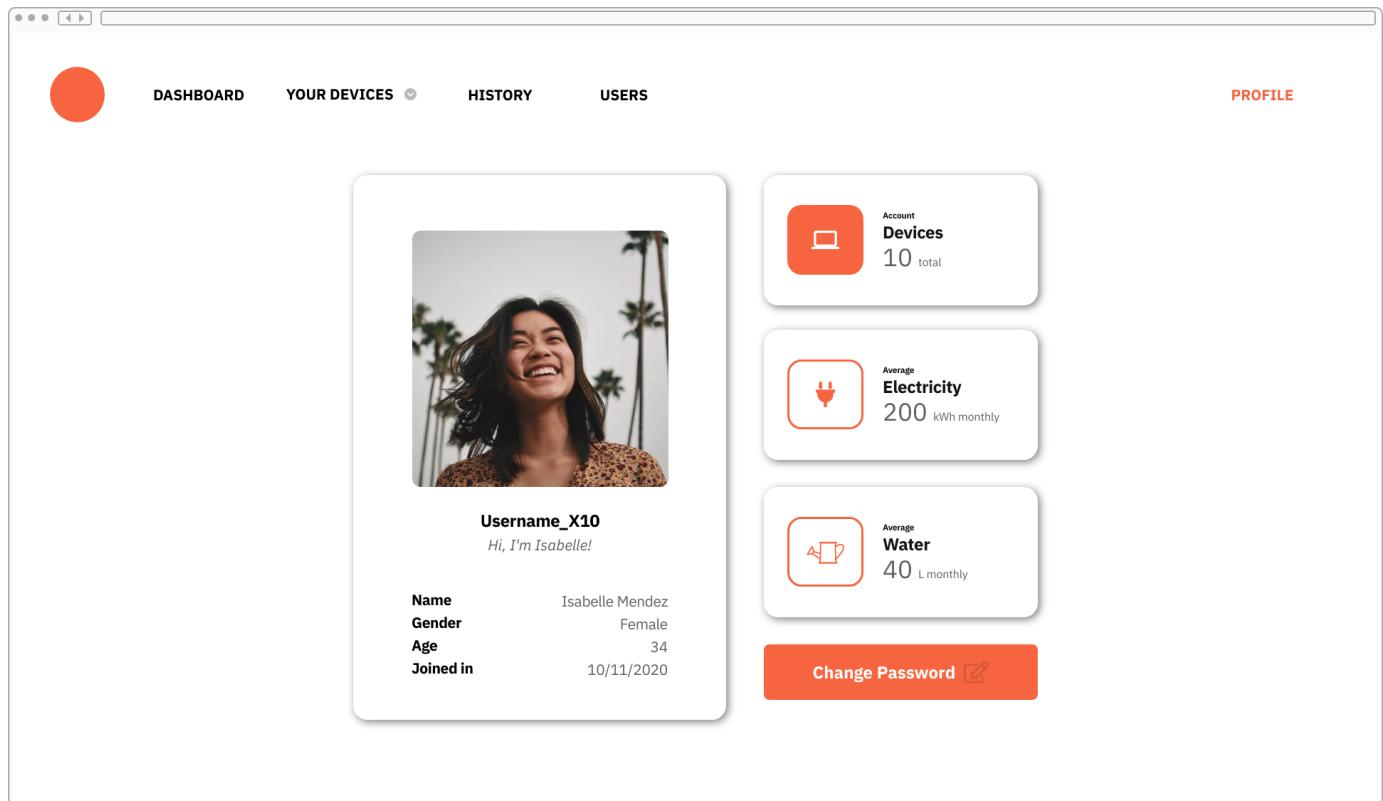

Below these cards is a large section for managing users. It features a grid of four user profiles. The first profile is fully visible, showing a photo of a smiling woman and buttons for "View User" and "Add User". The other three profiles are partially visible, each with a placeholder photo icon and an "Add User" button.

The screenshot shows a user profile interface. At the top, there is a navigation bar with tabs: DASHBOARD, YOUR DEVICES, HISTORY, USERS, and PROFILE. A large orange circular icon is positioned on the left side of the dashboard tab. Below the navigation bar, there is a user profile card. The card features a photo of a man wearing a cap and glasses, a username "Username_X11", and a bio "Hi, I'm Frank!". A question "Is this the User you're looking for?" is displayed below the card. To the right of the card, there is a search section titled "Search for User:" with a search input field and a magnifying glass icon. Below the search section is a red button labeled "Send Invite" with an envelope icon.

The screenshot shows a user profile page with the following elements:

- Header:** A navigation bar with tabs: DASHBOARD, YOUR DEVICES, HISTORY, USERS, and PROFILE.
- User Profile Picture:** A photo of a man with glasses and a beard, wearing a cap and a jacket.
- User Information:**
 - Username:** Username_X11
 - Bio:** Hi, I'm Frank!
 - Profile Details:**

Name	Frank Washington
Gender	Male
Age	45
Joined in	29/11/2020
- Account Summary:** Three cards showing account statistics:
 - Devices:** Account Devices 10 total (Icon: Laptop)
 - Electricity:** Average Electricity 300 kWh monthly (Icon: Power plug)
 - Water:** Average Water 20 L monthly (Icon: Water drop)
- Actions:** A button labeled "Change Permissions" with a pencil icon.

The image shows a profile page from the Smartive platform, featuring a header navigation bar with links for Dashboard, Your Devices, History, Users, and Profile. The main content area includes a user profile card with a photo of a smiling woman, her username (Username_X10), and a greeting (Hi, I'm Isabelle!). Below this are four summary cards: Account (Devices: 10 total), Average Electricity (200 kWh monthly), and Average Water (40 L monthly). A prominent orange "Change Password" button is located at the bottom right of the main content area.
